General Policies and Information

- Shoot pricing does not include makeup artist and/or wardrobe unless otherwise indicated.
- All images acquired during photo shoots will become property of Jon Donavon Inc's Stock Photography Gallery.
- All models must sign a model release at the time of shoot.
- All shoots require a one week processing time from date of completion of shooting. (Does not include shipping/delivery time)

TFCD Policies and Information

- TFCD stands for Time For CD-ROM. I will require a \$25 processing fee for all TFCD shoots, which includes the CD-ROM of the logo-free images. The model must be willing to shoot for **Black Men Swimsuit Extra (SSX)**, **Smooth Girl** and **KING** style shots including bikinis and lingerie. I'll release your images to you with limited copyrights to be used for promotional, comp card or portfolio use only. TFCD images cannot be sold or used by the model for bartering without compensation. In addition, cannot be submitted to subscription type websites as an gallery exchange without approval prior to the exchange.

TFP/TFCD Disclaimer:

Models are selected for TFP/TFCD shoots based on preference or need. I reserve the right to refuse any model a TFP/TFCD shoot for any reason.

Model Release

- For the signing of model releases, I require a copy of your government-issued photo ID. Please have them handy at the time of the shoot or at the time of signing. I must have legible copies for my records. Minors (models under the age of 18), must have a parent or legal guardian present to sign the model release. These documents are vital in this industry.
